

Dear Agility Competitors and Enthusiasts

On behalf of the SAAC / AWC committee, WP agility and KUSA, I would like to extend our best wishes to all of you who will be entering the trials to compete at this prestigious event. I trust that all competitors, from across the country, use this opportunity to unleash their talents, test their skills and reach higher standards with their canine partners in the spirit of good sportsmanship and of responsible dog ownership.

There could be no better city in which to host such an exciting canine event. The people of Cape Town are avid dog fans and eagerly support canine events in their masses. With long open beaches, mountain trails, forest walks, parks and general beautiful surrounds, Cape Town has so much to offer to the touring agility handler. It has been voted one of the top 10 "must see" cities in the world.

It is claimed that there are 2.2 dogs to every person in South Africa and we are also well aware of the fantastic spectator appeal of our sport and so we intend to bank on these facts and take our sport to a new level. We call on all agility handlers and dog fanatics to unite in the energy of the team of committee members with whom I am working and to support us in our goals to build upon the fine foundations set over the past few years at the SA Agility Championships and to take it to a new and higher level.

We look forward to hosting the South African Agility Championships in fine style and to warmly welcoming all our top competitors, their dogs, the supporters and spectators, from near and far, to our world class city.

Viva SA Agility Champs 2008!

Yours Sincerely

Lloyd Bristow
Chairman SAAC / AWC
